CADDIES

at The Open

A profession that is older than The Open itself. Indeed, the first Championship at Prestwick in 1860 was contested by eight “respected caddies” and respect for the top caddies in the modern game is now greater than ever. In the know on the course, they are a player’s confidant, their support, a trusted ally. A calming presence or a motivational spark, they judge the mood and gauge the weather. In a sport of individuals, the caddie is the partner no player would want to be without.

Premium grazing in the heart of the action

Caddies has an informal style, providing a comfortable base for your day at The Open, whilst still offering a host of premium benefits in a spacious and relaxed environment.

Located on the lower level, the private balcony offers prime views of the 1st hole, where you can catch the best players in the world in action as they tackle this challenging hole.

The delicious grazing buffet is designed by our talented and creative chefs, allowing you the flexibility to come and go as you please, whether watching from the balcony or out on the course.

Caddies is the perfect location to enjoy up to 10 hours of world class golf and premium hospitality with clients, guests, friends or family away from the crowds.

Located in the vibrant Spectator Village, a short walk away from the 1st Tee and 18th Green at Royal Portrush, Scorers is the perfect base for the day to return to after following the world's best golfers around the challenging links course.

OUR ICONIC LEADERBOARDS

Pupils from the boarding schools of Charterhouse and Cranleigh manually operated the two leaderboards at the 18th green from 1979. Assisted by real-time digital scorekeeping, the students changed the names, scores, and positions by hand. For four decades, posting a leaderboard update first was a true matter of pride.

SCORERS

Premium at The Open

Every shot logged. Fairways hit or missed, clubs used off the tee and to the green. The drives, the chips, the putts. Scores recorded, checked, signed for. A numbers game with its own language. At the first Open in 1860, competitors' scores were scrutinised and written down by their gentlemen backers and independent markers. Digital hand-held devices are now the tool of the scorer's trade. Yet echoes of the past remain. On the 18th green, the sound of the scores being manually updated on the giant leaderboard recalls the origins of The Open.

“The whole experience was just marvellous. A sporting memory that will last forever.”
