IRELANDS PREMIER FOOTBALLING EVENTS

Ireland have looked impressive under John O'Shea for their three opening games in 2024. Strong performances against Belgium & Switzerland at home were then reinforced with a win against Hungary in their most recent outing. Exciting times lie ahead for the Boys in Green with England arriving to the Aviva Stadium in September.

The last time Ireland played England in Dublin was back in 2015, so this fixture is expected to create huge demand. The old rivalry kick's off the UEFA Nations League for Ireland on Saturday, 7th September, with Ireland then playing Greece three days later at the Aviva Stadium. Rounding out the 2024 season will see Ireland take on Finland on 14th November.

For world class Club Ireland Hospitality, get in touch with THP to book your place at both games.
